Preface

As the one hundredth and first class to graduate from Enfield High School, the members of the Class of 1994 are the start to a new century of Enfield High graduates. This realization carries with it feelings of excitement and hope for the future, but at the same time you are touched by the sadness of saying good-bye. Together you have shared experiences, built friendships, and created memories that you will never forget. Good-bye and good luck to the Class of 1994!

— Elizabeth Vayda,
Co-Editor

DEDICATION

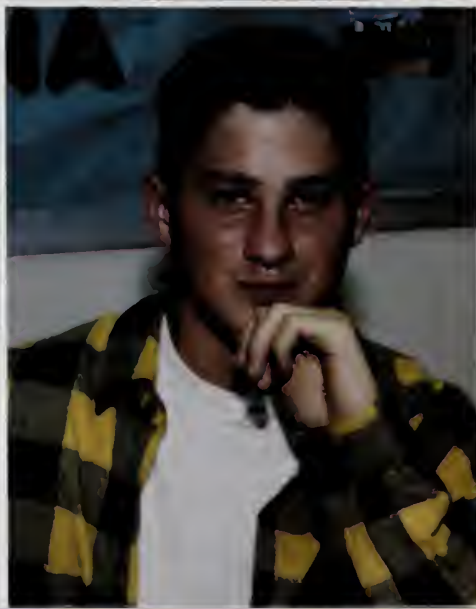

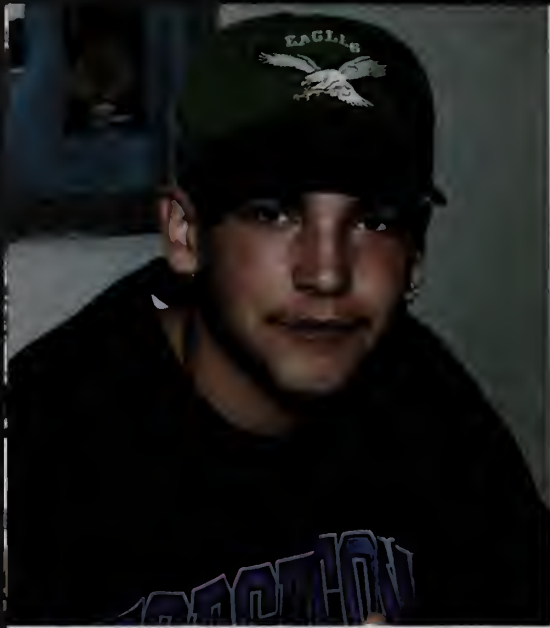

The Class of 1994 is proud to dedicate our yearbook to Mrs. Susan Gray. Mrs. Gray has been an English teacher at Enfield High for ten years, and in those ten years she has never passed up an opportunity to help in whatever way she can. In the classroom she is an inspirational teacher; in school activities, whether it be National Honor Society or chaperoning a school dance, she contributes instinctively her time and energy. Enfield High School, its staff and students are all the beneficiaries of Mrs. Gray's positive role as a teacher, leader, and friend.
